

Overview tuition fees 2025-26 Applied Computer Science (EN / 60 SP)

Below we give you an estimate of the study costs to Howest. We distinguish between general study costs and programme-related study costs.

The general study costs are paid upon registration, the programme-related study costs include - depending on the programme - your laptop, software, manuals, courses, study trips or possibly a camera, sportswear or specific material. Feel free to contact the programme for more info.

In the academic year 2026-26, you can only register for the applied computer science programme in English for track brackets 5 and 6.
